

# THE BIGPOD

The BigPod is our latest addition to Cabinville and was built in record time: 35 days from start to finish! Our team embraced lessons learnt from the Cabin and first three Pods and took this unit to another level. All the interior cladding, beds and stairs are made from reclaimed wood and all design elements are functional yet eye-catching.

2 Bedroom | 1 Bathrooms | Sleeps 4 adults and 2 children  
Downstairs - Queen-sized bed • Upstairs - Queen-sized bed and two single beds

Location: Within Cabinville, which is 200m from Rosemary Hill's main venues and coffee shop
